In addition, all enrollment fees are waived for additional siblings.

Age Classification

- The “age” season runs from September to September. Therefore, all age groups “advance” to the next age group in September of every year. If your son will advance to another tuition bracket prior to 12 months, and you choose to pay the yearly rate, your 12 month rate will be adjusted to reflect the yearly cost of each age group for the appropriate lengths of time (example a 12u player paying a yearly rate in March will be charged for 6 months of the 12u rate (\$299.50), and 6 months of the 13u rate (\$249.50) which equals a total 12 month rate of \$549.

Cancellation / Refund Policy

- No refunds will be given if you paid a yearly tuition rate, and cancel before your term ends. Monthly plans will not be charged any more monthly fees after your cancel. However, you will be responsible for paying your last month of tuition if you cancel after the 5th day of the month.

 - **ALL MEMBERS** Facility reimbursements (whatever monies paid to reserve fields, or facilities each month will be reimbursed equally by all current members of the program regardless of whether you actually used the facility on the day(s) it was used. These fees are assessed monthly, and are nominal (usually in the neighborhood of \$2 - \$6 per month).
 - **TEAM MEMBERS ONLY** players that join a team to compete on weekends need to purchase a uniform (for information on how to do this visit the website FAQ page), and contribute to the team’s operating expenses. These fees are only assessed when the teams are in season (or nearing the start of a season). Teams are in season from March to June, and August to November of each year.
