

Carolina *Elite* Baseball

Be a part of Eastern North Carolina's most advanced baseball teaching organization. Carolina Elite Baseball focuses on teaching young ballplayers the skills they need to achieve success on the baseball diamond for years to come. Our training includes practices that focus on developing the physical and mental skills critical to the game. These skills include hitting, pitching, and defensive fundamentals for all positions. In addition, we create teams that participate in weekend tournaments throughout the year. These games are a great tool to teach young players skills you cannot simulate in practice. These skills include good decision making on the bases, how to approach your at-bat in different situations, and how to communicate properly on defense.
