

Tournaments are always on weekends, and usually consist of four games (two Saturday, and two Sunday). Games usually last two hours, and may start as early as 8:30 am.

Most tournaments are held in Greenville, Kinston, or Goldsboro. On occasion, we will travel to Wake Forest, Cary, or Wilmington, but that only happens in the event a closer city is not hosting. Families are responsible for their own hotel accommodations if they choose to stay overnight at a tournament location.
